

Diploma in Beauty Culture

Diploma in Beauty Culture is a Diploma level Home Science course. Beauty is not simply a job but it has much deeper significance. An attractive appearance has become a pre-requisite to move forward in life. This is a career-oriented course. The theoretical and Practical Training imparted to the girls helps them in establishing themselves. Course starts with the zero knowledge of beauty culture and converts students into professionals. There are so many career options especially in private sectors after its successful passing.
