Diploma in International Hotel Management

The dual award Diploma in International Hotel Management is designed to prepare students for operations management and practical aspects of the hospitality industry. Our training adopts a Swiss influence in methods and curriculum, which is a combination of the traditional Swiss hotelier with modern management techniques.

For practical experience, students will intern for one semester industrial placement in renowned hotels or resorts in Malaysia and abroad. The program focuses on courses required for the industry by nurturing professionalism and characteristics that are essential for success in the industry. Graduates of this program receive not only a UOW Malaysia KDU Penang University College degree, but also an award from IMI International Management Institute in Luzern, Switzerland.

Graduates of this dual award degree program receive a degree award from both UOW Malaysia KDU Penang University College and IMI International Management Institute. A dual award degree program constitutes completion of a single program of study and is differentiated from a double –degree.
